## 自動輸出Excel格式錯誤報告

The screenshot shows a Microsoft Excel spreadsheet titled "my\_test\_dfm\_report.xls [相容模式] - Microsoft Excel". The spreadsheet contains a "Product DFM Checklist" report. The report includes a title, a date of 2015/10/16, and three quantity status items: Critical Qty: 0, Hot Qty: 0, and Warm Qty: 0. The main table lists three issues related to "Toeprint to toeprint" for different components.
